HOWL-I-DAY PHOTOS

With Suzanne White, Professional Photographer

Capture the joy and merriment of the season with a photograph of your best friend, next to the Christmas tree, by the poinsettias, or jumping through a festively bedecked tire jump for that perfect agility shot, or join your pet for a “family photo”. Although we will have many holiday “props” available, you may bring your own favorites, as well. The possibilities are endless!

Come! Join the FUN!!!
